

# PONEY SESSION 09

The 7th Pony Session edition took place last weekend at Saint Lary station.

This event, supported by KUSTOM, takes part of the TTR WORLD SNOWBOARD TOUR.

Three perfect days between competitive sport and fun organized by the Denjobrothers.

Lots of European riders were there to make the most of a good snow, a park layed out for the session and of the Pyrenees' sun.

## Results of the Pony Session 2009 TTR2\*

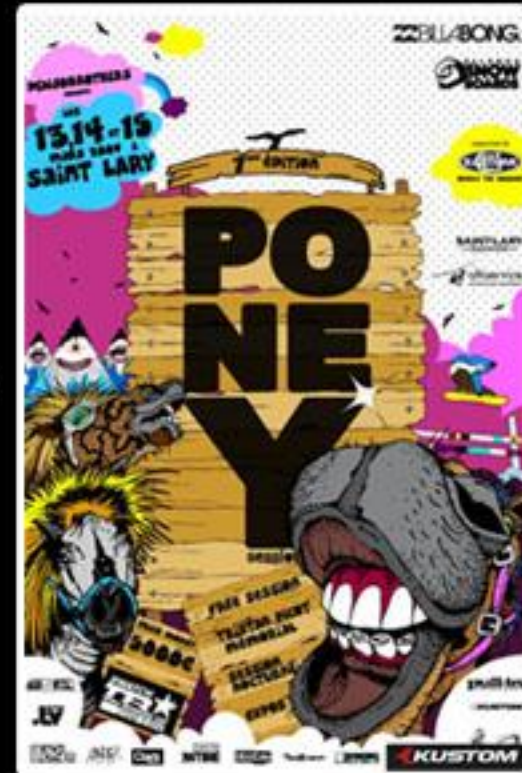

Super Pony 2009 : Victor DELERUE

Best trick by Pull-in
